

Poly Voyager Legend 50 & 30 Series

Monaural Bluetooth® Headsets

IMPORTANT

- Information Provided under NDA and Embargo until January 7th, 2025
- Information can be used to setup systems for order taking, but must not be published on external websites etc.

New EU Common Charger Requirements

The European Union passed the amendment for **common charger (2022/2380)** – that means on the 28th DEC 2024 USB-C port will become mandatory on a range of electronic devices including **headset**. Providing better interoperability and reduced waste of chargers for EU citizens.

Legacy (non-USB-C) devices

- Legacy devices that enter the EU (at HP warehouse) before the deadline may be sold.
- After the deadline legacy devices can leave the EU boarder, but once they have left could not re-enter

To simplify process product transition to apply to all of EMEA (not just limited to EU countries)

Product Features

Your voice takes center stage with AI Enhanced Noise Reduction.

4 Noise Canceling Microphones

The Poly Voyager Legend 50 and 30 series make use of 4 noise canceling mics to ensure your voice is heard, not the chaos around you.

The noise reduction is enhanced by Poly NoiseBlockAI (Legend 50 only) and WindSmart technology.

NoiseBlockAI

Poly NoiseBlockAI technology uses machine learning to identify background noises and intelligently filters them out when you are speaking.

Trained noises include dogs barking, nearby talkers, car engines, keyboards clicking, and more.

WindSmart Technology.

WindSmart technology from Poly provides even more wind noise reduction.

Enjoy clear calls, even when outdoors on a windy day.

A Legend Revamped

Poly's legendary monaural headset design has been refined over decades of innovation. The Poly Voyager Legend 50 and 30 series deliver our most comfortable fit yet and are ready for all-day wear.

Move effortlessly through the day with a sleek headset that looks and feels good while traveling, in the office, and everywhere in between.

Comfort and style fine-tuned over decades.

Comfort and Control

A closer look at physical headset features

Revamped Design

Premium materials and finish, ergonomic ear loop, and rigorously tested to comfortably fit a range of ear shapes.

Call Control

Control mute, volume, power, pairing, and access your phone's virtual assistant – all directly from your headset.

Personalize

Choose from 3 ear tip sizes in the box and freely wear on your left or right ear with a rotating microphone boom.

Monaural Wearing Style

Ideal for users who value mobility. The monaural design is lightweight (20.5g) and leaves the other ear free for increased spatial awareness.

Poly Voyager Legend 50

Poly Voyager Legend 30

Power your Conversations

Long-lasting battery with multiple ways to power up

Poly Voyager Legend 50 and 30 headsets deliver up to **10 hours of talk time**.

Wireless Charge Case

- ✓ Get extra power on-the go. The case delivers 2 full headset charges for up to 20 hours of additional talk time.
- ✓ Qi wireless and corded case charging.
- ✓ Charge in case or with vertical docking

2-way Office Stand

- ✓ Keep headset charged between calls for use at a moment's notice.
- ✓ Easy docking and device pairing.
- ✓ Connect to PC and deskphone with base

Hands Free Intelligence

AI Voice Commands

Answer the call or ignore it without lifting a finger. Simple voice commands lift the power of your voice.

Audio Alerts

Get alerted to the names of incoming callers, remaining talk time, and mute status.

AI Assistant Compatible

Works with AI assistants like Siri and Google - with the option to activate via a dedicated button on the headset.

Smart Sensors

Answer calls, mute/unmute, and play/pause media simply by wearing or removing the headset.

Freedom to Move

Mobility for your workstyle

With **Bluetooth® version 5.4**, Poly Voyager Legend 50 and 30 let you take the call with you no matter where you are working from.

- **Office:** Untether from your desk, stand to take a call, and move about the workplace
- **Home:** Step outside for a quick breath of fresh air or make your way to the kitchen for a fresh cup of coffee
- **On-the-go:** Keep your phone in your pocket and move unobstructed by dangling cords

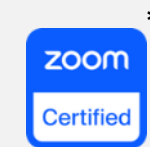

Range and Connectivity

Get up to **30m/98 ft of wireless range** and connect to 2 devices at once with **multipoint connectivity**.

Certified for Top Collaboration Vendors

Poly Voyager Legend 50 UC is built to work with your favorite collaboration platforms

**Certification expected post GA*

Poly Voyager Legend 30 will not be certified for Microsoft Teams, Zoom or Google Meet.

Poly Lens: Administration Portal

Cloud service delivering device insights and management vital to optimizing workplace experiences

- **Centralized software control** across your entire local, mobile and remote workforce.
- Manage fleets of devices using policies with the **flexibility to adjust** individual settings when necessary.
- **Active monitoring** of device health for maximum uptime improves operations and user satisfaction.
- **Collect and visualize** adoption trends ensuring the best return on investment.
- **Premium software included** with HP Service & Support¹ licensing

1. HP Service & Support¹ licensing sold separately.

Poly Headsets & Sustainability: TCO Certified

TCO Certified is a global sustainability certification for IT products. As a part of our commitment to Sustainability, we now offer Poly headsets with TCO Certified designation.

Companies with products that carry the TCO Certified designation demonstrate **socially and environmentally responsible practices**.

These product models meet a wide scope of sustainability criteria, covering both **environmental and social responsibility in the supply chain and throughout the product life cycle**.

Poly Voyager Legend 50 and 30 will have a TCO 9 Certified Designation.
