

FORUM™ FLOOR SUPPORT MOUNT

Whether it's single or dual monitors, the Forum Floor Support Mount delivers unmatched flexibility, stability, and style—all without relying on wall strength.

The Forum Floor Support Mount is the next evolution of Chief's trusted AVSFSS, reimagined through direct customer feedback. Designed to solve the common challenge of uncertain wall construction, Forum offers an aesthetically stylish two-column support system that transfers display weight directly to the floor—making it the go-to choice when wall integrity is in question.

Now Part of the Forum Family.
Formerly Tempo – Same trusted floor support mount, now aligned with the Forum Collaboration Suite.

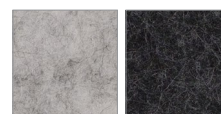

Forum delivers major upgrades in both aesthetic design and display capacity, all while simplifying the installation process.

FEATURES

- All-in-One Solution
- Installs directly into drywall, no need to locate studs
- Uprights can move independently along wall to avoid obstructions
- Cable management within uprights and behind the covers
- Interchangeable felt and wood door kits can be switched to match interior design colorways
- Universal Video Bar Mounts included
- Lever Lock and Rack-Mounted storage included
- Optional mount accessories support single XL and ultrawide 21:9 displays, and dual displays up to 98"
- Optional Middle Atlantic PD-715SC-NS power strip for added convenience
