

BYOD ROOM KIT**Plug-and-Play BYOD
video room solution.**

FOR SMALL ROOMS

**THE EASY WAY TO EQUIP SMALL SPACES**

- Simple, easy-to-use room solution: Delivers premium audio and video experience for meetings in small rooms.
- Complete solution: Comprises Jabra Speak2 75 and Huddly IQ.

FAST DEPLOYMENT

- Quick to deploy: Plug-and-play solution that can be set up in minutes.
- Flexible deployment: Huddly IQ can be attached on top of or below the meeting room display or used with a tripod. Speak2 75 can be positioned where required on the tabletop.
- USB-powered solution: Offers an easy BYOD solution for flexible collaboration.

AI-POWERED VIDEO FEATURES

- High quality video: Wide-angle lens captures everyone in the room in crisp detail, even those near the camera.
- Intelligent video features: Automatically adjusts framing so everyone is kept in frame. Portrait Lighting ensures faces are well lit so facial expressions are clearly visible.

OUTSTANDING AUDIO QUALITY

- Powerful audio: Super-wideband audio,* and an advanced full range 65mm speaker deliver a richer sound experience.
- Advanced Microphone Technology: Voice Level Normalization ensures everyone in the room is heard even when speaking quietly. Full duplex audio and advanced digital signal processing deliver natural-sounding conversations.
- Microphone Quality Indicator: Intuitive 360-degree light ring shows you're coming across loud and clear.

COMPATIBILITY

- Seamless solution: Works with Microsoft Teams and Zoom.

EASY TO MANAGE

- Firmware updates: Firmware updates available via Jabra Direct and Xpress software. Customize your settings with the Jabra Sound+ app.
