

Epson Lifestudio Pop Plus — EF-62B Metallic Black

A portable 4K PRO-UHD smart TV projector designed with advanced immersive image and audio technology to complement your lifestyle.

A portable 4K PRO-UHD smart TV projector that combines advanced image and audio technology with Intelligent Instant Setup to deliver a seamless, immersive big-screen experience at home or wherever you go.

Compact, lightweight & easy to carry

Create immersive moments anywhere. With a portable design powered by Intelligent Instant Setup, it features auto focus, auto keystone correction, auto obstacle avoidance and auto screen fit, automatically optimising the image to the ideal screen size for your space the moment you power it on.

Up to 3x brighter images*

Transform your home entertainment with bright, detailed 4K PRO-UHD visuals powered by Epson's 3LCD x RGB-LED technology and 700 lumens of brightness, delivering vivid, natural colours with no rainbow effect on projections up to 150 inches.

No extra speakers needed

Feel immersed with a crystal-clear, room-filling audio powered by Sound by Bose and Dolby Audio technology. The custom-designed 5W+5W stereo system delivers rich, powerful and balanced sound with deep bass, creating audio you can feel and pulling you—and everyone around you—right into the action.

Entertainment you love, with a little help from Google

Access your favourite content from across your apps and subscriptions in one place with Google TV, featuring 400,000+ movies and TV episodes across 10,000+ apps. Use Google Assistant voice commands to control your projector and Google Cast to stream directly from your smart devices.

Create unforgettable moments

Upload photos and videos to the big screen and invite friends and family to join in, while enjoying smart projection controls — all from your mobile device. Available to download from the App Store and Google Play.

Low-maintenance, long-life solution

Enjoy up to 10 years of worry-free entertainment. Featuring a long-life LED light source with no need for lamp replacements, this projector is designed for frequent use with minimal maintenance, all backed by a 5-year warranty for added peace of mind.

KEY FEATURES

- Effortless portability**
 Compact, lightweight, and easy to carry, featuring Intelligent Instant Setup that automatically adjusts to the optimal screen configuration as soon as you power it on.
- Bright, vivid 4K PRO-UHD clarity**
 Up to 3x brighter images powered by Epson's 3LCD x RGB-LED technology and 700 lumens, delivering vibrant, natural colour with no rainbow effect images up to 150 inches*.
- Sound by Bose & Dolby Audio**
 Advanced audio technology delivers crystal-clear, room-filling stereo sound without the need for extra speakers, while Bluetooth connectivity enables standalone speaker use.
- Google TV & Google Assistant**
 Easy access to 400,000+ movies and TV episodes across 10,000+ apps, with all your favourite entertainment and subscriptions together in one place — including Netflix and more*.
- Epson Projection Studio app**
 A social app designed to help you create unforgettable moments and share them with friends and family, while enjoying smart projection controls — all from your mobile device.
- Durable & Reliable**
 Epson, the world leader in projectors since 2001, offers up to 10 years of worry-free entertainment with a long-lasting LED light source, backed by a 5-year warranty.
- Legal Statement**
 Complies with The UK Product Security and Telecommunications Infrastructure (Product Security) requirements. Epson will provide security updates for 7 years from purchase.
